The Missing Parts Notice required the basic statutory fee, currently \$710, and a late filing fee of \$130.

The Applicants maintain that no terminal disclaimer is required under 37 CFR 1.137(d) because the present application was filed after June 8, 1995.

A petition to revive fee set forth under section 1.17(m) is authorized to be charged to Deposit Account Number 09-0468.

The fees required by the Missing Parts Notice also are authorized to be charged to this Deposit Account.

The Applicants request reconsideration and allowance of the claims of the present application, as filed.

Although no other fees are thought to be due, any other necessary and appropriate fee needed to further prosecute this Application, except the issue fee, is authorized to be charged to this Deposit Account. The Examiner is invited to call the Applicant('s) attorney at the below telephone number for an interview that might help in the prosecution of this Application.

Respectfully submitted,
